## **ARTICLE 1 – PREAMBLE AND PURPOSE**

This Agreement is made by and between the Board of Regents of the University of Washington, hereinafter referred to as the Employer, and Service Employees International Union, Local 925, hereinafter referred to as the Union.

The Employer is the Board of Regents of the University of Washington acting through its agents, administrators, and supervisors as determined by the Board of Regents.

Provisions of this Agreement apply to those regular monthly employees who are employed at the University of Washington in classifications included in the Research Technologist bargaining unit (see Appendix I). Regular temporary employees shall be covered per Appendix V.

The purpose of this Agreement is to set forth certain terms and conditions of employment and to promote orderly and peaceful labor relations between the parties. The parties agree that it has been and will be their mutual aim to promote systematic and effective employee-management cooperation; fair and reasonable working conditions; effective methods for the prompt adjustment of differences, misunderstandings, and disputes; and dignified and fair treatment of employees in the implementation of all policies and procedures.

## **ARTICLE 2 - NONDISCRIMINATION/AFFIRMATIVE ACTION**

### **2.1 Nondiscrimination.**

Neither the Employer nor the Union shall discriminate against any employee by reason of the following status: age, sex (except where age or sex is a bona fide occupational qualification), race or ethnic origin, color, creed, national origin, religion, disability, disabled or Vietnam era veteran, political affiliation, marital status, sexual orientation, or membership or non-membership in a union.

### **2.2 Affirmative Action.**

#### **(a) Policies.**

In conjunction with Federal and State Executive Orders, the Employer and the Union agree on the need for an affirmative action approach to correct and review any inequities in the employment process. The Employer shall have and implement an affirmative action plan which requires the Employer to make special efforts to recruit, employ, retain, train, promote, encourage career development, and transfer qualified members of groups formerly excluded, even if that exclusion cannot be traced to particular

discriminatory actions on the part of the Employer, and to develop, implement, and monitor affirmative action goals and timetables for hiring and/or promoting members of protected groups into job classes/categories where it has been determined that underutilization exists.

(b) Applicable Law.

The Union and the Employer agree to abide by and support the applicable statutory and administrative laws pertaining to equal opportunity and elimination of employment inequities. In order to promote this policy, the Employer will continue its affirmative action program for qualified women, ethnic and racial minorities, persons of disability, persons age 40 and over, disabled veterans, and Vietnam era veterans.

2.3 Sexual Harassment.

No employee shall be subjected to discrimination in the form of sexual harassment, currently defined in the University of Washington Handbook (Volume 4, Part 1, Chapter 2) as the use of one's authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal, or as the creation by a member of the University community of an intimidating, hostile, or offensive working or educational environment, through verbal or physical conduct of a sexual nature.

2.4 Complaints.

A discrimination complaint may be filed with the University Complaint Investigation and Resolution Office and/or as a grievance in accordance with Article 4 of this Agreement. Employees may also file discrimination complaints with appropriate federal or state agencies. The parties agree to encourage the filing of discrimination complaints through the University Complaint Investigation and Resolution Office.

### **ARTICLE 3 - UNION MEMBERSHIP, FAIR SHARE AND DUES DEDUCTION**

3.1 Union Membership and Fair Share Fee.

The Union shall fairly represent all employees covered by this Agreement. Therefore, as a condition of employment, employees who are covered under this Agreement shall, within sixty (60) days of employment, or within sixty (60) days of the effective date of this Agreement (whichever is later) either execute a union membership and payroll deduction form or a fair share payroll deduction form and shall have the appropriate fee deducted from their payroll checks. Any employee who is a member of the Union may voluntarily withdraw their membership from the Union and pay a fair

share fee by giving written notice to the Union within thirty (30) days prior to the expiration date of this Agreement.

Employees who are determined by the Public Employment Relations Commission to satisfy the religious exemption requirements of 41.80.100 shall make payments to the Union equivalent to regular union dues and initiation fees for purposes within the program of the Union as designated by the employee that would be in harmony with his or her conscience.

3.2 Dues Deduction.

Upon written authorization by an individual employee, the Employer shall provide for the semi-monthly payroll deductions of union dues and fair share fees which are uniformly applied to all members in those bargaining units in which the Union is the exclusive bargaining agent

3.3 Indemnification.

The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold the University harmless from all claims demands, suits or other forms of liability that may arise against the University for or on account of any deductions made from the wages of such employees.

3.4 Remittance of Dues.

The Employer shall electronically transmit to the Union on the first bank working day after each payday all dues and fair share fees deducted for that pay period in those bargaining units for which the Union is the exclusive bargaining representative.

3.5 Listing of Employees.

The Employer shall provide the Union with a semi-monthly listing of all employees with union dues or fair share fee deductions in the designated bargaining units and a monthly listing of all employees in the designated bargaining units who terminated their employment, or changed their employment status, classification or work location. The employer shall provide this information electronically along with bargaining unit employee pay rates and home.

## ARTICLE 4 - GRIEVANCE PROCEDURE

4.1 Definition.

A grievance, within the meaning of this Agreement, shall be defined as any alleged misapplication or misinterpretation of the terms of this Agreement.

A grievant, within the meaning of this Agreement, shall be defined as an employee within a bargaining unit covered by this Agreement who alleges a grievance, the Union alleging a grievance, or the Employer under the terms and conditions of this Agreement. An individual grievant may not invoke steps three or four of the grievance procedure without authorization from the Union. Grievances involving formal counseling (Step One), final counseling or dismissal (Step Two) shall be submitted to the level of supervision having authority to act or designee.

4.2 Responsibilities.

The Union shall prevail upon all employees in the bargaining units and especially stewards to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its supervisory personnel to cooperate fully with the stewards and other Union representatives in the prompt resolution of any grievances that may arise.

4.3 Employee Grievance Rights.

Any employee who believes he/she has been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor's opinion of the grievance's validity. In the presentation of grievances the employees shall be safe from restraint, interference, discrimination, or reprisal.

4.4 Time Limitations.

An extension of the time limitations as stipulated in the respective steps below may be obtained by mutual consent of the parties. Failure of the employee to comply with the time limitations without a request for time extension shall constitute automatic withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall establish the right of the employee to proceed to the next step of the grievance procedure. For the purposes of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or should have reasonably been aware of the issue giving rise to the grievance. Saturdays, Sundays and holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday or holiday but will end at the close of the first working day following the Saturday, Sunday or holiday.

4.5 Pay Status - Meetings.

Meetings and discussions on the grievance held in connection with this grievance procedure shall normally be held during the University's regular business hours, and no deduction in pay status shall be made for the grievant or steward for reasonable time spent in such meetings or discussions during the employee's scheduled duty hours. Time off for employees and stewards shall be granted by supervision following a

request, but in consideration of job responsibilities. If the requested time off cannot be granted, the parties shall arrange for time off at the earliest possible time thereafter.

4.6 **Grievance Withdrawal.**

A grievance may be withdrawn in writing at any time by mutual agreement of both parties and if withdrawn shall not be resubmitted.

4.7 **Employee Representation.**

The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.

4.8 **The parties agree that decisions rendered under the prior HEPB process shall not be determinative or precedential for any issues raised under the grievance procedure.**

4.9 **Steps of the Grievance Procedure.**

All grievances shall be processed in accordance with the following procedures. Grievances over final counseling or dismissal will begin at Step Two. For all other grievances, the parties may agree to waive Step One. For grievances filed directly at Step Two, the grievant will have thirty (30) calendar days from the occurrence of the situation, condition or action which caused the grievant to file.

**Step One: Presentation.**

Within thirty (30) calendar days of the occurrence of a situation, condition, or action which caused the grievance, the employee(s) affected and/or the steward or Union representative shall present the grievance to the employee's immediate supervisor for resolution. Presentation of the grievance shall include a short written description of the subject of the grievance and the contract clauses allegedly violated. If the grievance is directed against the employee's immediate supervisor, the grievance may be presented to the next higher level of supervision. The parties shall attempt to meet to resolve the grievance within fifteen (15) calendar days. The supervisor will respond within five (5) calendar days of the meeting.

**Step Two:**

If a satisfactory settlement is not reached in Step One, and the employee wishes to pursue the matter further, said grievance shall be put into writing on the authorized grievance form and referred to the department head or designee or to the next appropriate level of management and the Labor Relations Office within fifteen (15) calendar days after the decision from Step One. The date of alleged occurrence of the grievance shall be specified. The parties shall attempt to meet to resolve the grievance within fifteen (15) calendar days following the date of written submittal. At this step the Union agrees to cite all known sections of the Agreement which

allegedly have been violated and to provide a copy to the Human Resources Office and Labor Relations Office. The grievant may be represented by a steward and union staff representative. The University will be represented by the appropriate management official, or designee, a representative from the Labor Relations Office and a human resources consultant, if desired by the University. The University will respond in writing within ten (10) calendar days.

#### Step Three. Grievance Mediation.

If a satisfactory settlement is not reached at Step Two, the grievant with authorization from the Union may submit the written grievance to the Labor Relations Office requesting grievance mediation within fifteen (15) calendar days.

Upon mutual agreement, the Employer and the Union shall request, within ten (10) calendar days, grievance mediation services of the Public Employment Relations Commission (PERC). If those services are unavailable on a timely basis, the parties shall immediately request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS). The cost of the mediation shall be borne equally by both parties.

#### Step Four. Arbitration.

If a satisfactory settlement is not reached at Step Two or Three, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within fifteen (15) calendar days following the conclusion of Step Two or Step Three. Within sixty (60) days of the execution of the Agreement, the parties agree to meet to establish a permanent panel of 3-5 arbitrators. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of the decision by either party to go to arbitration, the parties will contact the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days, the case will be assigned to the arbitrator who can hear the case on the earliest date.

The appointment will be for the first eighteen (18) months of the Agreement, at which time either party may decide not to continue the appointment. If an individual arbitrator decides to remove his/her name from the panel or if one (1) or more members of the panel are not continued by either party, the parties will meet to decide whether to substitute an additional name(s).

The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the

decision of the arbitrator will be final and binding upon all parties. The cost of the arbitration shall be borne equally by the parties and each party shall bear the full cost of presenting its own case. The arbitrator's decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration, and the parties did not avail themselves of Step Three: Grievance Mediation, the moving party shall have the unilateral right to demand a pre-arbitration settlement conference. These conferences shall not delay the arbitration process, and may be held with or without the presence of an arbitrator, at the option of the moving party. In the event that an arbitrator is present, the cost of the arbitrator's participation shall be borne equally by the parties.

## **ARTICLE 5 - STEWARDS**

### **5.1 Recognition.**

The Employer recognizes the right of the Union to designate a maximum of five (5) union stewards from the Research Technologists' Nonsupervisory and Research Technologist Supervisory bargaining units. Upon proper designation in accordance with Section 5.3 of this Article the stewards shall be authorized to take up employee grievances through the grievance procedure of any SEIU Local 925 Agreement between the Employer and the Union.

### **5.2 Steward Release Time.**

A steward who is processing a grievance in accordance with the grievance procedure of any SEIU Local 925 Agreement between the Employer and the Union shall be permitted reasonable time to assist in the resolution of legitimate employee grievances on the Employer's property without loss of pay or recorded work time. Time off for processing grievances shall be granted to a steward by supervision following a request, but in consideration of job responsibilities. If permission for time off cannot be immediately granted, the supervisor shall arrange for time off at the earliest possible time thereafter.

A record of steward's work time spent on grievances or other authorized activity on behalf of the Union shall be maintained on a basis mutually agreeable between the Union and the department involved.

In the event the Employer determines that the amount of work time used by any steward on grievances or other authorized Union activities is unreasonable, it may become a topic for mutual discussion between the parties.

5.3 Designation of Stewards and Areas of Jurisdiction.

The Union will submit to the Office of Labor Relations on a semiannual basis the names of all Union officers, stewards, their work locations, and areas of jurisdiction. Stewards shall process grievances only within their jurisdiction unless otherwise mutually agreed. In the event of redesignation of stewards, notice will be provided to the Office of Labor Relations at least two (2) working days before any such steward shall be recognized as properly designated to take up employee grievances.

5.4 Stewards in Training.

Where the Union requests in advance of a Step Two hearing that a second steward be present for training purposes, this release will be approved without loss of pay or recorded work time subject to the operational needs of the second steward's department.

## **ARTICLE 6 - STEWARD TRAINING**

6.1 During each year of this Agreement each of the Union's stewards as designated in Article 5 of this Agreement shall be provided with eight (8) hours of release time without loss of pay to participate in steward training programs, in contract administration or duties associated with contract administration, sponsored by the Union.

6.2 The Union shall submit to the Office of Labor Relations and affected departments as far in advance as possible but at least three (3) weeks in advance the names of those stewards who will be eligible for each training course.

6.3 Time off for these purposes may be approved in advance by the employee's supervisor and will be contingent upon the supervisor's ability to provide proper work coverage during the requested time off.

## **ARTICLE 7 - UNION BUSINESS ACTIVITIES**

Employees who intend to absent themselves from work for the purpose of attending and participating in Union business functions or programs such as meetings, conventions, seminars, or to work for the Union on a temporary basis, may do so under the following conditions:

- (1) Use accrued vacation leave;
- (2) Take leave of absence without pay;
- (3) Use accrued compensatory time;
- (4) Use accrued holiday or personal holiday time.

The Union and/or the employee shall request leave approval from the affected employee's immediate supervisor as far in advance as possible but at least three weeks prior to the planned absence for approval.

## ARTICLE 8 - HOURS OF WORK AND OVERTIME

### 8.1 General.

Hours of work for regular monthly employees in the bargaining units listed in Appendix I shall be established by the employing official.

Overtime may be assigned outside of normally scheduled shifts and compensated in accordance with Section 8.5 and 8.6.

### 8.2 Definitions.

- (a) Full-time Employee. A regular monthly staff employee scheduled to work forty (40) hours per week in a seven (7) day period.
- (b) Part-time Employee. A regular monthly staff employee scheduled to work a minimum of twenty (20) hours per week but less than forty (40) per week in a seven (7) day period. Part-time employees shall receive all benefits of employment on a pro-rata basis, except health benefits coverage, which is determined by the state.

### 8.3 Work Day/M meal Period.

Meal breaks shall be a minimum of thirty (30) minutes, unpaid and on the employee's own time, provided the employee is off-duty for that meal period. It is the Employer's intention to provide uninterrupted meal breaks.

### 8.4 Rest Breaks.

Employees shall receive a fifteen (15) minute break during each four (4) hours worked. It is the Employer's intention to provide uninterrupted rest breaks.

### 8.5 Overtime.

Work in excess of forty (40) hours in one (1) week performed by overtime-eligible employees constitutes overtime. The overtime hours worked by the eligible employees shall be compensated at a rate of one and one-half (1-1/2) times the employee's straight time hourly rate.

Overtime-eligible employees shall receive monetary payment as compensation for overtime worked; however, at the employee's request, compensatory time off at one and one-half (1-1/2) times the overtime hours worked may be granted in lieu of monetary payment. Monetary

payment must be provided for any excess compensatory time accruals which exceed two hundred and forty hours (240).

Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Upon termination of employment, an employee will be paid for any unused compensatory time in accordance with the Fair Labor Standards Act.

Use of compensatory time shall require the approval of the employing official with consideration being given to the work requirements of the department and the wishes of the employee. Compensatory time off may be scheduled by the employing official during the final sixty (60) days of a fiscal year.

Compensatory time must be used or paid for by June 30<sup>th</sup> of each fiscal year. Exceptions to this policy may be approved by University Human Resources upon written justification of the extension.

For purposes of computing overtime compensation, holidays or leave with pay during the employee's regular work schedule shall be considered as time worked.

#### 8.6 Overtime Policies.

- (a) Whenever overtime work is required, the employing official shall determine the employees needed to work overtime on the basis of their relevant experience. Overtime shall be distributed as equitably as possible among qualified employees.
- (b) A record of overtime hours worked by each employee shall be kept by the Employer, and such record of overtime may be reviewed, upon request, by the Union.
- (c) It is intended that overtime wages for which salary payment is to be made shall be paid to the employee on the paydate following the pay period in which the overtime was earned. In no event shall such overtime payments be made later than thirty (30) calendar days from the end of the pay period in which the overtime was earned providing the payroll office has received the Exception Time Report (ETR) authorizing such payment within the time limits set by the payroll department.
- (d) Temporary Modified Weekly Schedule. By mutual agreement, individual employees and their supervisors may agree to a temporary modified weekly schedule. This schedule allows

employees to alter their regular daily working hours within a work week without generating the payment of overtime (unless the employee works beyond forty (40) hours in the employee's regular workweek). Such scheduling will not be considered a regularly recurring alternative schedule.

8.7 *Change in Work Schedule Notification.*

The Employer agrees to provide a minimum of fourteen (14) calendar days notice to an employee in the event of an Employer-directed permanent change in the employee's work schedule. For temporary changes in work assignment occurring within the employee's assigned work week, the Employer will provide two (2) calendar days' notice with the day of notification constituting the first day of notice. For emergency reasons, lack of work, an existing safety hazard to the employee or others, or mutual agreement between the Employer and employee under Article 8.6(d), the Employer may temporarily change an employee's schedule with fewer than two (2) calendar day's notice. Temporary is defined as no longer than one (1) week.

8.8 *Language Pay.*

Whenever a position has a bona fide requirement for regular use of more than one (1) language, or sign language (AMESLAN), or braille, premium pay of two (2) steps above the level normally assigned for that position shall be paid except for those instances where the position is allocated to a class that specifies these skills.

8.9 *Alternative Work Schedules.*

Departments having continuous and/or public responsibility may establish independent work schedules in order to meet their special needs. Departments are encouraged to establish flexible work schedules and to give serious consideration to employee requests. Individual requests for flexible scheduling may be approved by the employing official, provided that such scheduling does not interfere with the effective operation of the department and shall be dependent upon such considerations as building accessibility and security.

8.10 *Excepted Work Period Positions.*

Employees assigned to excepted work period positions normally do not qualify for overtime pay. However, when an employing official determines that the employee has been directed to work an excessive amount of hours for an extended period of time, overtime in the form of compensatory time or cash not to exceed a "time and one half (1-1/2)" basis may be approved by the University Human Resources Department. When the University creates or modifies a classification such that it is *excepted from overtime in accordance with the law*, the Union shall be notified in advance of implementation. This language does not preclude

the Union or any individual employee from challenging the University's overtime determination in appropriate forums.

8.11 Telework.

The parties agree that the Employer may offer telework opportunities. If the Employer chooses to offer such opportunities, the Employer may enter into direct discussion with the affected employee(s) regarding the components of a written telework agreement. Such agreements shall be between the affected employee(s) and the department. Upon request, the Employer shall meet and confer with the union regarding the agreements. The agreements will address the treatment of work time in the event of equipment failure.

8.12 Staffing Issues.

Staff are strongly encouraged to bring concerns about staffing issues to the attention of their department. Local 925 can also request that the Office of Labor Relations set up a Joint Labor Management meeting for the particular department. The Union can also place on the agenda of any Labor Management meeting the issue of staffing in particular departments/units at the University. The University will facilitate a discussion at the Labor Management Committee.

## ARTICLE 9 - VACATION LEAVE

9.1 Policy.

To the degree possible vacation leave shall be scheduled in accordance with the preference of the employee.

9.2 Accrual.

### ARTICLE 13 - CLASSIFICATIONS

- 13.1 The parties agree to defer discussions regarding the classification system changes promulgated by the Personnel System Reform Act of 2002 (PSRA). The parties agree that discussion regarding the classification system is a permissive subject of bargaining and this Agreement is not intended to alter that understanding.

The discussions will commence no later than sixty (60) days following DOP's implementation of Phase One of the statewide revision to the classification system (Phase One is scheduled to be implemented on or about July 1, 2005).

During this period of discussion, the current classifications with their respective pay levels are hereby incorporated into this contract as Appendix I. The existing class specifications for these jobs are considered in effect upon the execution of this contract.

- 13.2 (a) Should the University decide to create, eliminate, or modify class specifications which does not involve a major restructure to the overall classification system, it will notify the Union in advance of implementing the action. Notification will include the bargaining unit status of the classification and, for a newly created or modified classification considered to be in the bargaining unit, a proposed salary. Notification will occur at least thirty (30) days in advance of any proposed implementation date. At the Union's request the University will meet and confer with the Union over its proposed action.
- (b) An employee occupying a position reallocated to a class with a lower salary range maximum due to a class being created, abolished or modified will retain the salary of their former position

An employee(s) occupying a position reallocated to a class with a higher salary range due to a class being created, abolished or modified will receive the same step in the new range as the employee(s) held in the previous range. The periodic increment date of the employee will remain unchanged.

- (c) Within thirty (30) calendar days following implementation of the University's decision to create or combine classifications per 13.2, or modify class specifications for bargaining unit positions, the Union may file an appeal with the Classification Review Hearing Officer selected under Article 14 of this contract, to determine if the salary assigned to the classification is appropriate.

13.3 The Union may, at any time, propose a new classification with appropriate justification. These proposals will be reviewed by the Compensation Office of Human Resources which will accept, reject or modify any proposal. This review is not grievable.

13.4 The University agrees to notify the Union of any proposed reclassifications of occupied bargaining unit positions into non-bargaining unit positions.

#### **ARTICLE 14 - RECLASSIFICATION**

14.1 Policy.

Positions shall be allocated to the appropriate classification. Requests to reclassify should be based on a belief that the duties, responsibilities, or qualifications of a position are such that it is inappropriately classified.

- (a) The University, employee, or employee representative may request that a position be reviewed when the requesting party believes that the basis of its request has become a permanent requirement of the position. Employees and employee representatives may not request that a position be reviewed more often than once every six (6) months.

- (d) The University reviewer will investigate the position and issue a written response to the employee or employee representative within sixty (60) calendar days from receipt of the completed request. (A completed request is defined as the employee completing all employee portions of the re-classification forms.) The response will include notification of the class and salary assigned when the position is *reallocated*, or *notification of the reasons the position does not warrant reallocation* when the request is not approved. Reclass requests may be submitted at either the departmental level or directly to Human Resources. Reclass requests submitted at the departmental level must be forwarded to Human Resources with thirty (30) calendar days.
- (e) The effective date of allocations or reallocations initiated by the University shall be determined by the University. The effective date of a reallocation resulting from an employee or employee representative request for position review will be established as the 1<sup>st</sup> or the 16<sup>th</sup> of the month which precedes the date that the completed request was filed with Human Resources or the employee's direct supervisor or department, whichever date is earliest. The date of receipt must be appropriately documented.
- (f) An employee may request reconsideration following receipt of the University's determination. Requests for reconsideration will not hold the timeframe for filing an appeal under Article 14.3.

#### 14.3 Position Review Appeal Process.

If the Union wishes to appeal the decision of the University, it may appeal to the Classification Review Hearing Officer *within thirty (30) calendar days* following the date of the University's written response. The Hearing Officer shall be jointly selected by the parties *within thirty (30) days* of the execution of this contract and shall serve for a minimum of one (1) year from the date of selection. At that time the parties may choose to re-appoint the Hearing Officer or select a different Hearing Officer who will also serve for a minimum of one (1) year from date of selection. The Hearing Officer shall hold hearings on a quarterly basis unless there are no appeals to hear or the parties agree to pend any open appeals. All materials considered in the position review shall be submitted to the Hearing Officer prior to the hearing and neither party will submit evidence

at the hearing that was not submitted during the position review. The Hearing Officer shall endeavor to hold multiple hearings each day, and shall issue a concise decision which shall be final and binding. The Hearing Officer shall have no authority to alter the terms and conditions of this contract. Employees may be represented at the hearing and will be released from work with no loss of pay to attend the hearing. The Hearing Officer's fees and expenses shall be shared equally by the parties.

The employee shall be paid at the salary step which represents at least a two (2) step increase over the present salary. Such increase shall be effective the first day of the assignment when approved as higher-level duties and responsibilities by the Director of Human Resources Operations.

**15.2 Other Assignments.**

Except as otherwise provided in this Agreement, duties assigned an employee shall be consistent with the overall class concept of the employee's job classification.

**15.3 Temporary Appointment.**

Temporary appointment may be made only to (a) perform work in the absence of an employee on leave for more than six (6) consecutive months or (b) perform work which does not exceed one thousand fifty (1050) hours in any twelve (12) consecutive month period. At the conclusion of a temporary appointment a permanent employee shall have the right to revert to his/her former position or to an equivalent position. No temporary appointment shall take the place of employees laid-off due to lack of work or lack of funds.

**15.4 Fixed Duration Appointments.**

Appointments for a fixed duration may be made for assignments initially intended to be for more than one thousand fifty (1050) hours, but for no more than twelve (12) consecutive months. Consecutive appointments that total more than twelve (12) consecutive months will not be made for the same assignment. The filling of fixed duration appointments will be determined by the University. Individuals hired under this section will

receive written notification of the maximum length of the appointment and the eligibility for benefits. Conclusion of the appointment will be at the discretion of the University, including termination of appointment prior to its originally intended expiration date, and will not be subject to Articles 4 (Grievance Procedure) and 17 (Seniority, Layoff, Rehire) of the contract. Fixed duration appointments will not be made to replace current bargaining unit employees nor to do the work of any bargaining unit employee who has been laid off. Fixed duration appointments may only be used to fill leave-of-absences and/or temporary projects; they may not be used to fill permanent positions. Time worked in a fixed duration appointment will count towards seniority for employees who are appointed to a regular monthly position represented by Local 925 without a break in service. Employees on a fixed duration appointment will be considered non-bargaining unit applicants when applying for regular monthly bargaining unit positions.

- (a) An individual appointed to a Fixed Duration Appointment who is hired into the same job, in the same unit through open recruitment will have their Fixed Duration Appointment months of service apply toward their probationary period for that position.

### **16.1 Definition.**

The probationary period is the initial six (6) month period of employment in a class following appointment of a nonpermanent employee. Permanent employees at the University of Washington shall not be required to complete another probationary period. Any paid or unpaid leave taken during the probationary period will extend the period for an amount of time equal to the leave. Weekends and holidays will count in the calculation of the length of probationary period extensions. By mutual agreement, the probationary period for selected classes may be established for a period in excess of six (6) months but not to exceed twelve (12) months.

Employees in probationary status will earn seniority from their initial date of hire but may not exercise seniority rights until completion of the probationary period. Probationary employees are not eligible for layoff or rehiring rights.

16.2 Probationary Period Rejection.

An appointing authority may reject an employee who has not completed a probationary period. Upon request by the employee, a meeting to explain such action shall be held with a representative of the Employer. At the employee's request a representative of the Union shall attend such meetings. Such rejection is not subject to Article 4 of this contract.

**ARTICLE 17 - SENIORITY, LAYOFF, REHIRE**

17.1 Seniority.

Seniority is defined as the continuous length of service in calendar days with the University from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on leave of absence without pay or on layoff shall not be included in computing seniority except for cyclic year positions, but does not constitute a break in service. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their seniority the veteran's active military service to a maximum of five (5) years credit.

Seniority shall be lost following an employee's resignation, termination for cause, failure to return from a leave of absence, failure to accept two (2) full recall offers (offers for the same pay, FTE status and shift as the position from which the employee was laid off), or expiration of rehire rights.

Employees who enter into the bargaining unit from other positions at the University of Washington shall be credited with layoff seniority for all seniority earned in the State classified service while employed at the University. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under the collective bargaining agreement. Seniority for benefit accrual purposes shall include all time credited to the employee up to the date of entering into the bargaining unit. Unused sick and vacation leave credits of permanent status employees changing employment between bargaining unit and non-bargaining unit positions shall move with the employee.

- 17.2 (a) Layoff and Rehire. Whenever it becomes necessary for the University to reduce its workforce due to a lack of work, lack of funds or reorganization, the University shall use the following procedure in determining which employees shall be laid off. The University shall not lay off bargaining unit employees in lieu of disciplinary action. The University shall make a concerted effort to re-employ bargaining unit members on the rehire list. Bargaining unit members on the rehire list are eligible to take all Computing & Communications and Training &

Development courses on a space available basis upon payment of designated fees.

- (b) Layoff. In a given class within a lab group, layoff shall be by seniority, least senior person first as long as the remaining employees possess the essential skills (defined as the minimum qualifications listed in the job description for the classification and any specific position requirements) to perform the necessary work. The University shall, with a copy to the Union, identify the positions to be abolished and the employee(s) to be effected and shall notify employees in these positions not less than twenty (20) working days prior to the abolishment of the positions, pay the employee wages in lieu of notice, or combine pay and notice. The notice shall include the effective date of the layoff and a reference to the employee's rights under this Article.

The least senior employee in a classification shall have the right to replace the junior employee in a lower classification in series if the employee being laid off possesses the essential skills as defined above to perform the necessary duties, and the employee to be replaced is in the lab group and has less seniority. If more than one (1) bumping option exists, the classification in the pay range closest to the position to be abolished will be used.

The opportunity to replace a junior employee within the lab group will require an FTE status within .2FTE of the FTE status of the person in the position being abolished (e.g. if a .8FTE position is being abolished the incumbent is eligible to replace an individual in a .6 – 1.0FTE position). If there is no opportunity for the person in the position being abolished to replace another employee within .2FTE, s/he shall have the right to bump junior employees with a lower FTE status than their own, subject to the provisions herein. Employees shall have no bumping rights per Article 17 within six (6) months from the effective date of a Final Counseling Action plan.

In accordance with the above, the incumbent in a position to be abolished will be given up to three (3) working days to determine if s/he wants to exercise his/her bumping rights.

- (c) FTE Reduction. An employee in a position that is not abolished but is reduced in FTE status and who will remain benefit eligible after the reduction will have the choice of staying in the reduced position and going on the rehire list for the position and FTE status held by the employee immediately prior to the reduction or exercising available layoff rights under 17.2(b). The employee must exercise this choice within three (3) working days of the reduction notice.

- (d) Rehire. Employees identified for layoff will be placed on an eligible rehire list(s) designated by the employee for twenty-four (24) months. In addition to the rehire list for the classification and FTE status from which the employee was laid off, employees identified for layoff may be on the following rehire lists:

1. For positions of a lower FTE status in the classification from which the employee was laid off;
2. For positions in other classifications in which the employee previously held permanent status; and,
3. Lower classes in a series under 1 and 2 above.

The University will refer an employee from the designated rehire list(s) for any open positions in the bargaining unit for which the laid off employee possesses the essential skills. Employees referred from the rehire list(s) who possess the essential skills needed for a vacant position will be offered the position prior to the University offering it to any other applicant. The two (2) most senior employees on a rehire list(s) who possess the essential skills needed for a vacant position will be advised that they are being referred and the Employer will offer the position to either of those employees. Job requests for positions for which there are employees on rehire list(s) may not be withdrawn solely to avoid hiring laid-off employees.

The Employer shall provide copies of rehire lists to the Union on a quarterly basis, or more frequently pursuant to a request by the Union.

- (e) Rehire Trial Period. Employees placed into vacant positions from the rehire list will serve a three (3) month rehire trial period. During the rehire trial period either party may, at its sole discretion and without resort to the grievance procedure, initiate return to the rehire list. Time spent in a rehire trial period will not count toward the twenty-four (24) month rehire list period. The three (3) month rehire trial period will be adjusted to reflect any paid or unpaid leave taken during the period.
- (f) Removal from List. Removal from the rehire list(s) will occur for any of the following circumstances:
1. If placement does not occur within twenty four (24) months,
  2. If the employee refuses two (2) offers of placement for a position having the same pay, FTE status and shift as the position from which the employee was laid off,

3. If the employee was placed into two (2) vacant positions for which the employee has failed to complete the rehire trial period,
  4. If the employee accepts an offer of placement and completes the rehire trial service period,
  5. Employees who reject one (1) offer of placement from a list for a position of a lower FTE status than that which the employee held immediately prior to layoff will be removed from that list,
  6. Employees who reject one (1) offer of placement from a list for a position in a classification other than that from which the employee was laid off will be removed from that list.
- (g) **Benefits and Temporary Services.** Employees on the rehire list who follow the rules prescribed by Temporary Services will be given priority to referral to temporary positions and can receive employer paid health benefit coverage if they meet the *eligibility requirements* as determined by the state.
- (h) **Rehire Wages and Increment Date.** When employees are rehired from layoff status, the periodic increment date and annual leave accrual date will be reestablished and extended by an amount of time in calendar days equal to the period of time spent on the rehire list prior to rehire.
- Employees placed from the rehire list into positions with the same salary range held at the time of layoff shall be placed at the same step in the range held at the time of layoff. Employees placed from the rehire list into positions with a lower salary range than held at the time of layoff shall be placed in a salary step nearest to, but not in excess of, the salary held at time of layoff.
- (i) **Rehire List Crossover.** Employees within a Local 925-represented bargaining unit may, in accordance with this Article, be placed on the rehire list for positions in which they have previously achieved permanent status in another Local 925-represented bargaining unit.
- 17.3 Affirmative action goals may be considered at any point during the layoff or rehire process.

## **ARTICLE 18 - CORRECTIVE DISCIPLINARY ACTION/DISMISSAL**

- 18.1 The parties will follow the "Corrective Action/Dismissal Process" outlined below. No employee shall be subject to the process *except for just cause*. The process will be considered to incorporate the concept of progressive

action while providing a positive method for improvement rather than punitive action. The University will determine the specific step at which the process begins based on the nature and severity of the problem.

#### 18.2 Corrective Action/Dismissal Process.

The University will make clear when formal or final counseling is being conducted.

**Informal Counseling** - Informal discussion or counseling between employee and immediate supervisor. Supervisor will follow-up in writing, which will include simple action plan, if necessary.

**Formal Counseling** - Formal counseling (may involve administrative personnel other than the employee's immediate supervisor) including the development of a written action plan. The action plan will identify specific problem areas, performance objectives, suggestions for remedying, and a timeframe for improvement.

**Final Counseling** - Final counseling (may involve administration other than the employee's immediate supervisor) including action plan discussion and revision, where appropriate. A decision-making period of one (1) day of paid time away from the work site for the employee to consider the consequences of failure to follow the action plan may be used at this step. If the Employer decides to provide a decision-making day, the employee will be given a list of expectations and problem statements prior to the day taking place.

**Dismissal** - Prior to dismissal, a pre-determination meeting will be scheduled to give an employee an opportunity to make his/her case before the final decision is made. The employee has the right to have a Union representative present at the pre-determination meeting.

**Demotion** - When mutually agreed, demotion may be considered at any step of the Process.

#### 18.3 Grievability/Arbitrability.

Informal counseling may not be grieved. Formal counseling may be grieved through Step Two of the grievance procedure only. Final counseling and dismissal may be grieved through every step of the grievance procedure beginning at Step Two.

#### 18.4 Representation.

Employees shall be notified orally or in writing that upon request they shall be entitled to have a representative present when formal counseling, final counseling or dismissal is occurring. Employees have a right to a meeting with management whenever corrective action is issued. Attendance of a

representative shall not delay the disciplinary process unduly as determined by the Employer. All parties shall make every effort possible allow for Union representation without unduly delaying the process.

#### **ARTICLE 19 - EMPLOYEE PERFORMANCE EVALUATION**

- 19.1 Performance evaluations shall be performed at least annually. Evaluations shall be based on job related performance factors. Performance evaluations shall not be used to initiate personnel actions such as transfer, promotion or corrective disciplinary action, however evaluations may serve as supporting documentation for personnel actions. Employee participation in the development of evaluation materials and rating factors is encouraged.
- 19.2 Evaluation Forms.
- (a) Performance evaluation forms will at a minimum have:
    - (1) A description of the job related factors upon which the evaluation is based. These will include:
      - i. quality of work (e.g. competence, accuracy, neatness, thoroughness),
      - ii. quantity of work (e.g. use of time, volume of work accomplished, ability to meet schedules, productivity levels),
      - iii. job knowledge (e.g. degree of technical knowledge, understanding of job procedures and methods), and
      - iv. working relationships (e.g. cooperation and ability to work with supervisor co-workers, students, and clients served).
    - (2) Provision for employee comments.
    - (3) Provision for employee's signature accompanied by a statement that "Employee signature means that the employee has seen and is aware of the content of the evaluation, but does not necessarily mean that the employee agrees with the evaluation content."
    - (4) Provision for the evaluator and reviewer's signature, and reviewer comments.
  - (b) The performance evaluation form may be supplemented with other forms and/or information used to support the employee's

evaluation. Upon request, the employee may review any written materials used by supervision to prepare the evaluation.

#### 19.3 Employee Evaluation Information.

- (a) Upon appointment to a position the employee's supervisor will provide the employee with a copy of:
  - (1) The class specification for the position
  - (2) The position's job duties.
- (b) Written performance expectations shall be provided to the employee in sufficient time to allow the employee to meet the work expectations (normally within sixty (60) calendar days after appointment to the position). The Employer will provide at least sixty (60) calendar days notice to employees prior to the evaluation when modifications that substantively alter performance expectations are made. Minor modifications that do not substantively alter performance expectations require no notice.

#### 19.4 Evaluation Process.

- (a) The supervisor will communicate with the employee about performance problems as they occur.
- (b) The purpose of the evaluation meeting is to review, discuss, and if appropriate, modify the evaluation. The employee shall have an opportunity to discuss the proposed evaluation with the evaluator and to provide a written response.
- (c) A copy of the completed form, signed by all appropriate individuals, will be provided to the employee upon request.
- (d) Performance evaluations shall be retained in the departmental file for no more than three (3) years.
- (e) The evaluation shall be reviewed and signed by the employee's second level of supervision or management designee.

#### 19.5 Evaluator Training.

The Employer shall make available training opportunities for evaluators regarding the Employer's performance evaluation program and shall, upon request, share and discuss the contents of such training programs with the Union.

19.6 Grievability.

The procedural aspects of the employee performance evaluation process are grievable only through Step Two of the Grievance Procedure. Procedural aspects include alleged violations of this contract or University policy. Disagreement over the supervisory marks assigned to a specific employee shall not be grievable and will be addressed via the actions described in 19.4(b).

## ARTICLE 20 - EMPLOYEE TRAINING AND DEVELOPMENT

20.1 Policy.

The Employer reaffirms its commitment to an on-going system of staff development and training. Employer shall maintain an employee training and development plan. The objective of this plan shall be to provide opportunity for the development of the potential occupational and professional ability of each employee in order to (1) meet institutional needs, (2) to make the most effective and economic use of employee resources in accomplishing institutional goals, and (3) to enhance employees' career advancement opportunities.

20.2 The University shall annually provide a list of job classifications reflecting the number of regular monthly positions and number filled in the past calendar year. This information shall be on file in the Recruiting and Candidate Services Office and the respective area Human Resources Offices.

20.3 Training and Development Task Teams and Committees.

The Union shall be invited to designate an employee representative to participate in each University Training and Development task team and committee convened to address topics relevant to the bargaining unit. Such topics may include career advancement, career paths, potential training needs and courses, and program crediting in the employment process. Task teams and committees shall be chaired by the Training and Development Manager or designee. Employee representatives shall be granted release time to attend task team and committee meetings which are conducted during regular business hours.

20.4 Information.

The Employer shall, upon written request, provide the Union with copies of the institution's training and development plan and the annual report of the achievement of training objectives.

20.5 Training and Development Programs.

It is intended that supervisors will encourage employees to participate in the various training and development programs as provided for by

Executive Order 52 in order to maximize their job performance and to increase their promotional opportunities.

When the Employing Official requires an employee to acquire new skills the supervisor will identify appropriate sources of training and provide training in accordance with 20.8.

20.6 Release Time.

Release time for training for employees accepted for training and development programs shall be in accordance with Executive Order 52.

20.7 Completion of Training Programs.

Completion of training programs will be considered in evaluating an employee's application for transfer or promotion when certification of completion has been indicated by the employee. The Employer will review courses offered through Training and Development, Computing and Communications, and the Women's Information Center in order to identify courses which satisfy requirements for regular monthly staff positions. The Employer will determine the amount of credit appropriate to the training course(s).

Crediting of completed training programs towards minimum qualifications shall be determined by the Employer. Currently, successful completion of the Fiscal Management Certificate Series is equivalent to six (6) months of budget/fiscal experience and successful completion of the Supervisory Certificate Series is equivalent to six (6) months of supervisory experience.

20.8 Tuition Payment and Travel Cost Reimbursement.

If a supervisor requires an employee to receive training all fees and related costs will be paid by the employing department. If attendance in such courses requires use of the employee's personal vehicle, the employee will be reimbursed at the University's travel rates applying at the time. If other transportation must be taken, the employee will be reimbursed for all transportation costs. Required attendance in courses which are outside of regular working hours and which are work related or meet an identified institutional need is considered "paid time training" and constitutes time worked.

20.9 Training - Layoff.

Employees on layoff status shall be eligible to participate on a space available basis in regularly scheduled Training and Development programs.

20.10 Education and Professional Development.

The University encourages all departments/grants with individuals employed in this bargaining unit to provide as much support for Continuing Education as budgets will permit. The University recognizes the crucial contribution made by all bargaining unit members, and that Continuing Education assists staff in increasing the level of skill and knowledge they bring to their chosen fields.

**ARTICLE 21 - TUITION EXEMPTION PROGRAM**

- 21.1 In addition to those noncredit programs offered by the Training and Development Office, eligible employees may participate in the University's tuition exemption program as authorized by applicable state law and University policy set forth in the Administrative Policy Statements 22.1. Subject to operational needs and management discretion, supervisors will make a good faith effort to allow the use of flex time for employees who wish to take a class during their scheduled shift.

21.2 Release Time and Fees.

When an employee is required to take a tuition exempt class by the Employer, associated expenses and release time will be provided per Article 20.8.

**ARTICLE 22 - PROMOTIONS/TRANSFERS**

22.1 Policy.

It is the policy of the University to encourage job advancement and promote from within. It is the responsibility of each employee seeking promotion or transfer to provide the Employer with complete information regarding the employee's skills and qualifications relative to the position sought. The Employer will make the application process, necessary submittals and the essential skills of the vacant position clear to prospective applicants.

22.2 Definitions - For the purpose of this Article the following definitions apply:

Promotion - Movement to a position with a different classification with a higher salary maximum.

Transfer - Movement to a position with the same salary maximum or same classification.

Voluntary Demotion - Movement to a position with a lower salary maximum, where the position is attained through the employment process.

This section does not apply to employees who demote as the result of corrective action.

- 22.3 Notice that applications are being accepted for vacant bargaining unit positions will be published by the Employer and will be made available in places intended to reach bargaining unit employees for a minimum of seven (7) days prior to the closing of the application period. The University may limit the scope of the posting area if applications only from within the posting area are accepted.
- 22.4 The Employer will determine if applicants possess the essential skills required of the position. Essential skills are the minimum qualifications listed in the job description for the classification and any specific position requirements. The Employer will refer all current bargaining unit applicants possessing the essential skills prior to referring any non-bargaining unit applicants. Where the skills, abilities and experience of the vacant position applicants are considered equal, the Employer will offer the position to a bargaining unit applicant. In accordance with applicable law, affirmative action goals will be considered when filling vacancies.

At least one (1) bargaining unit applicant per job requisition, who is a regular monthly employee and who possesses the essential skills, shall be among those granted an interview for bargaining unit positions. Which bargaining unit applicant(s) the Employer chooses to interview shall not be grievable. On or after July 1, 2008 either party may notify the other in writing that they wish to discontinue this agreement related to guaranteed interviews for bargaining unit applicants.

- 22.5 Applicants from within the bargaining unit determined not to possess the essential skills for the vacant position may seek a non-grievable review of the assessment through the Human Resources Office. Applicants from the bargaining unit who possess the essential skills but are not offered the position may request an explanation, written or oral, as to why the position was not offered.
- 22.6 Movement between positions will comply with the following:

Movement Between Positions Within the University - Employees who transfer, promote or voluntarily demote shall serve a trial service period during the first six (6) months of a new appointment. During the first six (6) weeks of the trial service period, promotional employees have preemptive rights to their former position if the position still exists, and transferred or voluntarily demoted employees may return to their former position if it still exists and is vacant. After the first six (6) weeks but during the six (6) months, employees who do not meet supervisory expectations shall have the option to be placed on the rehire list. Paid or unpaid leave taken during

the six (6) month trial service period shall extend the length of the trial service period by the amount of paid or unpaid leave taken. Employees who return to their former position, whether returning directly or being placed from the rehire list, will not be required to serve an additional three (3) month trial service period per 17.2(e).

Movement from a Non-University Position to a Bargaining Unit Position - Employees will be required to serve a probationary period per Article 16.

- 22.7 Employees shall receive reasonable paid release time for job interviews (which may include sitting for an examination) at the University. Such time must be approved in advance by the supervisor subject to unit staffing needs.

### ARTICLE 23 - HEALTH AND SAFETY

23.1 Policies.

It is the Employer's intent to make reasonable and proper provisions for the maintenance of appropriate standards of health and safety within the workplace. The Employer shall comply with applicable Federal and State health and safety legislation and regulations and has designated the University's Environmental Health and Safety (EH&S) Department to advise and monitor compliance with such standards.

When it is established through medical documentation that a disabling condition or physical limitation prohibits continued performance of the employee's assigned duties, *the Employer will attempt to assist the employee through reassignment, transfer, or reconfiguration of job duties.*

Employees who believe that working conditions present a hazard to their health should first alert their supervisor. All employees are encouraged to contact Environmental Health and Safety to report hazardous conditions. If a supervisor or Environmental Health and Safety declares a work site to *be hazardous and unfit for work, effected employees may be assigned to alternative work sites until the hazardous condition is rectified.* If assignment to an alternative work site is not possible and the supervisor decides to send the employees home, those employees sent home will receive their regular pay for all time the employee is scheduled to work on the day of the incident. For all subsequent days the employee(s) may use accrued leave as appropriate.

23.2 Health Examinations.

The Employer shall provide at no cost to the employee, such medical tests or health examinations as may be required as a condition of employment.

23.3 Safety.

All work shall be performed in conformity with applicable safety standards. Employees are encouraged to immediately report any unsafe working conditions to their supervisor. No employee shall be disciplined for reporting any such condition nor be required to work or to operate equipment when he/she has reasonable grounds to believe such action would result in immediate danger to life or safety until the condition has been reviewed by a Union Steward and a higher level of supervision. If the matter is not resolved satisfactorily, the supervisor or employee may request a decision from the University's Department of Environmental Health and Safety or the Department of Labor and Industries.

23.4 Safety Committees.

Bargaining unit employees shall be appropriately represented on any organizational health and safety committees for areas in which they are employed, as detailed in Administrative Policy Statement 10.11. Any departmental or unit committee also dealing with health and safety issues in work areas shall appropriately involve bargaining unit employees. It shall also be appropriate for either party to raise health and safety concerns at the Joint Union/Management Committee.

23.5 Ergonomics.

The Employer shall maintain a separate section in the Administrative Policy Statements that reference the ergonomic requirements of WAC 296-62-051. Further Ergonomic guidelines shall be referenced on the Environmental Health and Safety department website: [www.ehs.washington.edu](http://www.ehs.washington.edu).

23.6 Workplace Review.

The parties recognize that there are several elements in a worksite which may affect individual health, comfort and productivity. The employer shall conduct routine hazard assessments of any worksite that may contain health hazards as required by WAC. The employer shall provide awareness education to help reduce identified hazards. Employees may also request a workplace review by the employing department and employees shall be given the results of the review.

## ARTICLE 24 - RECORDS

24.1 Vacation/Sick Leave.

Each department will keep vacation and sick leave records and make them available to employees upon request.

#### 24.2 Bargaining Unit.

A current list of names, classifications, and departments of all bargaining unit employees will be provided annually to the Union at cost.

#### 24.3 Personnel File.

Upon written request by an employee to their area human resources office (official personnel file) or department manager (departmental file), the employee or employee's representative shall have access to the employee's official or departmental personnel file for review. Upon the employee's request, the employee may receive copies of any materials in the file (requests for reasonable numbers of copies will be provided at no cost to the employee; employees may be charged a fee for requests for large numbers of copies). Prior to such review the Director or designee may remove any letters of reference which were obtained through assurances of confidentiality to a third party. Such letters shall only be used for the purposes of hiring and/or promotional application.

Employees shall be provided a copy of all adverse material placed in the official file at the time the material is included in the file.

- (a) Information shall be retained as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the institution.

Adverse material or information related to employee misconduct or alleged misconduct which is determined to be false and all such information in situations where the employee has been fully exonerated of wrong doing shall be promptly destroyed.

- (b) Notwithstanding subsection (1) of this section, an institution may retain information relating to employee misconduct or alleged misconduct, if:

- (1) The employee requests that the information be retained; or,
- (2) The information is related to pending legal action or legal actions may reasonably be expected to result.

The employee shall have the right to have placed in his/her own personnel file a statement of rebuttal or correction of information contained in the file within a reasonable period of time after the employee becomes aware that the information has been placed in the file.

#### 24.4 Requests for Information.

The Employer shall make available to the Union, upon written request, records and reports regarding personnel issues, such as home addresses,

employment data and reclassification requests, concerning those classifications in the bargaining units, provided that this shall not require the Employer to disclose any records not subject to disclosure under the Public Disclosure Act of the State of Washington or to maintain or assemble any data which it would not otherwise assemble for its own use. Information shall be provided electronically where feasible.

## **ARTICLE 25 - TRAVEL PAY AND WORK TIME**

- (b) When employees are required to travel on a nonscheduled work day they shall be paid in accordance with Article 8 and University policy. For purposes of determining hours of work, the work day shall commence at the time the employee leaves his/her official duty station and end upon arrival at the temporary duty station. The employee's domicile shall be his/her official work station when travel commences from that location if less than time calculation from the official duty station.

## **ARTICLE 26 - POLICIES**

### **26.1 Contracting Out.**

The University will not contract out work which results in the layoff of bargaining unit employees who are employed prior to the time of the execution or renewal of the contract. The University will provide the Union thirty (30) calendar days notice prior to the implementation of any contract allowed under this Article.

### **26.2 Union Access.**

Upon prior notification to management, authorized Union staff representatives shall be permitted to enter the Employer's premises and facilities at reasonable times for the purpose of representing employees in

personnel matters consistent with the Union's certification as exclusive bargaining representative. It is understood that any such visits which require a meeting with an employee will be restricted to the nonworking time of the employee unless otherwise authorized by management or provided for elsewhere in this Agreement, and that there will be no interference with an employee's work assignment.

26.3 Assignment of Additional Duties.

An employee who is permanently assigned the duties of a position vacated by attrition, layoff, or other reasons, in addition to his or her job duties, shall have the right to meet with his or her supervisor to discuss the situation. If the initial meeting between the supervisor and the employee does not result in a satisfactory conclusion, the employee may request a subsequent meeting which a representative of the Union may attend.

26.4 Personal Services.

It is inappropriate and contrary to University policy to assign any employee coffee making, related food service duties, or other tasks of a personal nature. The exception is when such an activity is based on a bona fide departmental requirement.

26.5 Uniforms Requirement.

Uniforms required to be worn by the employee shall be provided and replaced by the Employer at the Employer's expense. The maintenance of uniforms shall be the responsibility of the employee. Prior to any decision by a department head to purchase uniforms, employees in their respective departments shall be given an opportunity to consult with their department head regarding the color and style of uniform to be worn. The department head will give serious consideration to the wishes of the employees in making a decision.

26.6 Legislative Briefings.

The Union President or designee shall be invited to attend legislative briefings conducted by the Employer.

26.7 Child Care.

As a major employer, the University of Washington recognizes that the family life of its employees has a significant impact upon their work lives. The Employer currently sponsors daycare within the community, subsidizes care for mildly ill children (as defined in 10.4), and funds a *position for coordinating child care services*. The Employer will notify the Union so that the Union may have an opportunity to provide input prior to any University action being taken to modify child care programs which are currently being sponsored by the University.

Information regarding availability of resources to facilitate employee child care is available in the Reference Stations and/or the Work/Life Services office.

Other articles in this Agreement which address child care and parenting needs include Article 8.9 (Alternative Work Schedules), Article 10.1 (Sick Leave) and Article 12 (Leave of Absence).

26.8 Resignation.

27.2 Bulletin Boards.

- (a) Space shall be made available to the Union on bulletin boards, in those areas where bargaining unit members work or frequent, for the posting of notices and information pertaining to official business of the Union. Such posted material is to be signed by a Union representative.
- (b) If it is established that adequate space is not available at a convenient location, the Union may provide for and have installed a bulletin board at its own expense, provided the size and location of said bulletin board shall be mutually agreeable to the Union representative and the Employer.

27.3 Employee Facilities.

A Joint Union-Management Committee is established to provide a forum for communications between the two (2) parties and to deal with matters of general Union/Employer concern. The committee's function will be limited to an advisory capacity and shall not include any decision-making or collective bargaining authority.

Committee membership shall consist of two (2) bargaining unit employees and a Union staff representative and three (3) Employer representatives to include the Labor Relations Officer or designee.

*The Employer will discuss with representatives of the Union significant changes affecting institutional conditions of employment generally affecting bargaining unit employees sufficiently in advance of the targeted implementation date of said changes so that reasonable alternative proposals can be adequately considered by the Union-Management Committee. Diversity, child care and tuition exemption shall be considered appropriate subjects for the Joint Union-Management Committee.*

### 28.2 Meetings.

At least one (1) week's notice shall be given to members of any agreed upon meeting and the agenda. Committee meetings shall normally be held during University business hours and at a mutually agreeable time and date. Employee members shall experience no loss in salary for meeting participation; however, meeting times are not construed as work time and no overtime shall be claimed or paid for meetings attended outside the employee members' regular working hours.

### 28.3 Limitations

Committee meeting topics shall be limited to subjects of group rather than individual concern, and the committee shall not discuss grievances properly processed under Article 4 of the Agreement. Further, it is not intended that this Article obligate in any way either party to negotiate on personnel matters covered in this Agreement or to alter, limit, restrict, or reduce prerogatives of either party otherwise provided in this Agreement.

  - (c) A bargaining unit member designated by the Union shall be granted paid release time to attend new employee orientation and/or new employee coffee hours scheduled by the University. Such release time will be subject to the operational needs of the department.

## ARTICLE 30 - COMPENSATION

- 30.1 Upon promotion or reclassification from a Local 925 position to another Local 925 position with a higher salary range, the affected employee shall be placed on the salary step of the new range which reflects a minimum of a three (3) step increase. The new periodic increment date shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month.
- 30.2 An employee occupying a position that is reclassified to an existing class with a lower salary range shall be placed in the salary step in the new range which is closest to the current salary, provided such salary does not exceed the top step of the new salary range.

### 30.3 Salary Schedules.

- (a) The salary schedules shall be incorporated into this Agreement as Appendices II and III.
- (b) All schedules will contain two (2) Career Enhancement/Growth steps as described in Section 30.8.

30.4 Employees shall continue to receive increment increases at the rate of two (2) steps each twelve (12) months unless they are newly hired at Step A, in which case they will receive a two (2) step increase at six (6) months then two (2) steps annually thereafter. The University at its discretion, may approve additional increment increases at any time. Such additional increment increases will not change an employee's periodic increment date.

30.5 The University and the Union affirm their commitment to the principles of comparable worth by implementing any state-mandated comparable worth adjustments.

30.6 Health Benefits. For the life of the Agreement, bargaining unit members shall be governed by the results of healthcare coalition bargaining, per RCW 41.80.020, with respect to health insurance benefits and premiums.

- 1) The Employer will contribute an amount equal to eighty-eight percent (88%) of the total weighted average of the health care premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board annually for benefits in calendar year 2008 and calendar year 2009, respectively.
- 2) The Employer will pay the entire premium costs for each bargaining unit employee for basic life, basic long-term disability and dental insurance coverage.
- 3) The Employer will participate in the State of Washington's set aside of \$20,000,000 in the public employees' and retirees' insurance account to be used only for the benefit of the Employer and proportionately for represented and non-represented employees in the event the health care costs increase more than the trends assumed under this Agreement; and this account will not be used to expand benefits or to reduce the average employee share of

medical insurance premium cost for the total weighted average of the health care premium to less than twelve percent (12%).

30.7 Parking/U-Pass.

The Union agrees that during the life of this agreement, the University may apply changes in transportation policy, including adjusting parking and U-pass fees and criteria for assigning parking spots, to the bargaining unit without the obligation to bargain with the union. The union may raise issues and concerns about the University's parking program at Joint Labor Management Committee meetings or at ad hoc Labor Management meetings. The union shall have a standing seat on the University committee(s) that work on transportation and parking issues.

30.8 Career Enhancement-Growth Program.

The University will continue its Career Enhancement-Growth Program. The program will reward employees whose development of skills, increased productivity, or assumption of higher-level duties results in service enhancements or efficiencies for the department in which the employee works.

Steps N & O (Appendix II) and Steps R & S (Appendix III) will be attained solely through the Career Enhancement-Growth Program and will not be based on length of service.

Employees in every classification covered by this Agreement will be eligible for the program. Employees are eligible to receive a Career Enhancement-Growth step any time after they have been at the last automatic increment step in their pay range for a minimum of one (1) year. Employees are eligible for the subsequent Career Enhancement/Growth step beginning one (1) year after receiving the previous step.

There will be no minimum or maximum number of employees who may receive Career Enhancement-Growth steps. There will be no minimum or maximum amount of money the University will spend on the Career Enhancement-Growth Program. Decisions about Career Enhancement/Growth steps shall be made within sixty (60) days of supervisory/managerial/professorial recommendations.

The Career Enhancement-Growth program will not be a substitute for reclassifications. Reclassifications will take priority over receiving Career Enhancement-Growth steps such that if an employee qualifies to receive a Career Enhancement-Growth step but could otherwise be reclassified, the employee will be reclassified and will not simultaneously receive the Career Enhancement-Growth step. Career Enhancement/Growth steps shall be considered in calculating salary adjustment associated with promotion and upward reclassification, but in no instance shall a salary in

a new position be at a step higher than the highest automatic increment step in the new pay range, except for lateral transfers where there is no mutual agreement not to exceed the highest automatic increment step in the new pay range.

The University agrees to regularly issue University-wide reminders promoting the value of this program.

Career Enhancement-Growth program in its entirety is not subject to the grievance procedure (Article 4).

**30.9 Cost of Living Adjustment (COLA).**

All pay tables covered by this Agreement shall be modified as follows:

- 1) Effective July 1, 2007 a 3.2 percent across-the-board wage increase. Continuation of the 1.6 percent across-the-board wage increase from July 1, 2006.
- 2) Effective July 1, 2008 a 3.0 percent across-the-board wage increase.

**30.10** If market conditions determine that an upward adjustment in one or more economic areas is essential to maintain competitiveness both the Union and the Employer shall be given the opportunity to raise issues of competitive compensation and propose market adjustments. When the Employer proposes adjustments, the Union shall be given at least thirty (30) days notice in advance of the implementation date to negotiate the adjustment.

## **ARTICLE 31 - NO STRIKE/LOCKOUT**

The Employer and the Union acknowledge that this Agreement provides, through the grievance procedure and through other administrative remedies, for an orderly settlement of grievances or disputes which may arise between the parties. Accordingly, the parties agree that the public interest requires the uninterrupted performance of all University services and to this end pledge to prevent or eliminate any conduct contrary to that objective. Therefore, during the life of the Agreement the Employer shall not lock out any of the employees as a result of a labor dispute or grievance or disputes on personnel matters nor shall the Union condone or authorize a work stoppage, work slowdown, or any other curtailment of work in the bargaining units.

Should the employees engage in any unauthorized concerted action, a Joint Union/Management Committee shall immediately convene and shall continue to meet until the dispute is settled, and the employees involved shall immediately

return to work and continue working. Any employee who refuses to perform his/her work may be subject to disciplinary action.

There will be no strike or lockout regarding any matters pertaining to the contents of this Agreement.

Any action of the Employer in closing the University during a general strike, riot, or civil disturbance for the protection of the institution, its property, or its employees shall not be deemed a lockout.

The University of Washington continues to recognize the right of any bargaining unit member not to engage in work-related activity which would reasonably and immediately jeopardize her/her personal safety. This includes a decision not to come to work when a picket line has been established by another labor organization.

### **ARTICLE 32 - MANAGEMENT RIGHTS AND RESPONSIBILITIES**

The Employer through its designated management personnel or agents has the right and responsibility, except as expressly modified by this Agreement, to control, change, and supervise all operations and to direct and assign work to all working forces. Such rights and responsibilities shall include by way of illustration but shall not be limited to: the selection and hiring, training, discipline and discharge, classification, reclassification, layoff, promotion and demotion or transfer of employees; the establishment of work schedules; the allocation of all financial and other resources; the control and regulation of the use of all equipment and other property of the Employer. The Employer shall determine the methods, technological means and qualifications of personnel by and for which operations are to be carried out. The Employer shall take whatever action as may be necessary to carry out its rights in any emergency situation.

Application of this Article shall not preclude the use of the grievance procedure as established in this Agreement.

### **ARTICLE 33 - SUBORDINATION OF AGREEMENT AND SAVING CLAUSE**

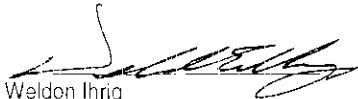

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or provision of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

#### **ARTICLE 34 - DURATION**

This Agreement shall become effective July 1, 2007 and remain in force through June 30, 2009. Automatic renewal shall extend the terms of this Agreement for one year at a time, unless either party serves the other with written notice at least ninety (90) calendar days prior to the anniversary date of its intent to negotiate a new Agreement. Should notice be served, bargaining shall begin within thirty (30) calendar days following the date of the notice for the purpose of negotiating a new Agreement.

**REGULAR TEMPORARY EMPLOYEES**  
**APPENDIX V**

## **APPENDIX V**

### **REGULAR TEMPORARY EMPLOYEES**

**Definition.** The term Regular Temporary Employee shall mean an hourly paid employee doing bargaining unit work for more than 350 hours but less than 1,050 hours in any twelve (12) consecutive month period from an individual's original employment date in an hourly paid bargaining unit classification or from January 1, 2004, whichever is later, exclusive of overtime worked.

Only the following language from Articles of the Agreement apply to Regular Temporary Employees:

### **PREAMBLE AND PURPOSE**

Includes Regular Temporary Employees for purposes of description of bargaining unit.

### **NONDISCRIMINATION/AFFIRMATIVE ACTION**

**Nondiscrimination.** Neither the Employer nor the Union shall discriminate against any employee by reason of the following status: age, sex (except where age or sex is a bona fide occupational qualification), race or ethnic origin, color, creed, national origin, religion, disability, disabled or Vietnam era veteran, political affiliation, marital status, sexual orientation, or membership or nonmembership in a union.

**Applicable Law.** The Union and the Employer agree to abide by and support the applicable statutory and administrative laws pertaining to equal opportunity and elimination of employment inequities. In order to promote this policy, the Employer will continue its affirmative action program for qualified women, ethnic and racial minorities, persons of disability, persons age forty (40) and over, disabled veterans, and Vietnam era veterans.

**Sexual Harassment.** No employee shall be subjected to discrimination in the form of sexual harassment, currently defined in the University of Washington Handbook (Volume 4, Part 1, Chapter 2) as the use of one's authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal, or as the creation by a member of the University community of an intimidating, hostile, or offensive working or educational environment, through verbal or physical conduct of a sexual nature.

**Complaints.** A discrimination complaint may be filed with the University Complaint Investigation and Resolution Office and/or as a grievance in accordance with Article 4 of this Agreement. Employees may also file

discrimination complaints with appropriate federal or state agencies. The parties agree to encourage the filing of discrimination complaints through the University Complaint Investigation and Resolution Office.

#### **UNION MEMBERSHIP, FAIR SHARE AND DUES DEDUCTION**

Union Membership and Fair Share Fee. The Union shall fairly represent all employees covered by this Agreement. Therefore, as a condition of employment, Regular Temporary Employees shall, within sixty (60) days of having worked more than 350 hours from an individual's original date of employment into an hourly paid bargaining unit classification, or from January 1, 2004, whichever is later, either execute a union membership and payroll deduction form or a fair share payroll deduction form and shall have the appropriate fee deducted from their payroll checks. Any employee who is a member of the Union may voluntarily withdraw their membership from the Union and pay a fair share fee by giving written notice to the Union within thirty (30) days prior to the expiration date of this Agreement.

Employees who are determined by the Public Employment Relations Commission (PERC) to satisfy the religious exemption requirements of RCW 41.80.100 shall make payments to the Union equivalent to regular union dues and initiation fees for purposes within the program of the Union as designated by the employee that would be in harmony with his or her conscience.

Dues Deduction. Upon written authorization by an individual employee, the Employer shall provide for the semi-monthly payroll deductions of union dues and fair share fees which are uniformly applied to all members in those bargaining units in which the Union is the exclusive bargaining agent.

Indemnification. The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold the University harmless from all claims, demands, suits or other forms of liability that may arise against the University for or on account of any deductions made from the wages of such employees.

Remittance of Dues. The Employer shall electronically transmit to the Union on the first bank working day after each payday all dues and fair share fees deducted for that pay period in those bargaining units for which the Union is the exclusive bargaining representative.

Listing of Employees. The Employer shall provide the Union with a semi-monthly listing of all employees with union dues or fair share fee deductions in the designated bargaining units and a monthly listing of all employees in the designated bargaining units who terminated their employment, or changed their employment status, classification or work location. The employer shall provide

this information electronically along with bargaining unit pay rates and home addresses.

## GRIEVANCE PROCEDURE

**Definition.** A grievance, within the meaning of this Agreement, shall be defined as any alleged misapplication or misinterpretation of the terms of this Agreement.

A grievant, within the meaning of this Agreement, shall be defined as an employee within a bargaining unit covered by this Agreement who alleges a grievance, the Union alleging a grievance, or the Employer under the terms and conditions of this Agreement. An individual grievant may not invoke Steps Three or Four of the grievance procedure without authorization from the Union. Grievances involving discipline shall be submitted to the level of supervision or designee having authority to act.

**Responsibilities.** The Union shall prevail upon all employees in the bargaining units and especially stewards to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its supervisory personnel to cooperate fully with the stewards and other Union representatives in the prompt resolution of any grievances that may arise.

**Employee Grievance Rights.** Any employee who believes he/she has been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor's opinion of the grievance's validity. In the presentation of grievances the employees shall be safe from restraint, interference, discrimination, or reprisal.

**Time Limitations.** An extension of the time limitations as stipulated in the respective steps below may be obtained by mutual consent of the parties. Failure of the employee to comply with the time limitations without a request for time extension shall constitute automatic withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall establish the right of the employee to proceed to the next step of the grievance procedure. For the purposes of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or should have reasonably been aware of the issue giving rise to the grievance. Saturdays, Sundays and holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday or holiday but will end at the close of the first working day following the Saturday, Sunday or holiday.

**Pay Status - Meetings.** Meetings and discussions on the grievance held in connection with this grievance procedure shall normally be held during the University's regular business hours, and no deduction in pay status shall be made for the grievant or steward for reasonable time spent in such meetings or

discussions during the employee's scheduled duty hours. Time off for employees and stewards shall be granted by supervision following a request, but in consideration of job responsibilities. If the requested time off cannot be granted, the parties shall arrange for time off at the earliest possible time thereafter.

**Grievance Withdrawal.** A grievance may be withdrawn in writing at any time by mutual agreement of both parties and if withdrawn shall not be resubmitted.

**Employee Representation.** The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.

The parties agree that decisions rendered under the prior HEPB process shall not be determinative or precedential for any issue raised under the grievance procedure.

**Steps of the Grievance Procedure.** All grievances shall be processed only through Step 2, except grievances alleging inaccurate or untimely payment of hourly wages, or failure by the Employer to follow the terms of Article 30 below, which may be processed through Step 4. As long as the hourly rate paid is not lower than the lowest step in the salary range for a position's assigned classification, and the Employer has followed the terms of Article 30 below, the hourly rate paid is not subject to the grievance procedure.

**Step One: Presentation.** Within thirty (30) calendar days of the occurrence of a situation, condition, or action which caused the grievance, the employee(s) affected and/or the steward or Union representative shall present the grievance to the employee's immediate supervisor for resolution. Presentation of the grievance shall include a short written description of the subject of the grievance and the contract Articles allegedly violated. If the grievance is directed against the employee's immediate supervisor, the grievance may be presented to the next higher level of supervision. The parties shall attempt to meet to resolve the grievance within fifteen (15) calendar days. The supervisor will respond within five (5) calendar days of the meeting.

**Step Two:** If a satisfactory settlement is not reached in Step One, and the employee wishes to pursue the matter further, said grievance shall be put into writing on the authorized grievance form and referred to the department head or designee or to the next appropriate level of management and the Office of Labor Relations within fifteen (15) calendar days after the decision from Step One. The date of alleged occurrence of the grievance shall be specified. The parties shall attempt to meet to resolve the grievance within fifteen (15) calendar days following the date of written submittal. At this step the Union agrees to cite all known sections of the Agreement which allegedly have been violated and to provide a copy to the Human Resources Office and Office of Labor Relations. The grievant may be represented by a steward and union staff representative.

The University will be represented by the appropriate management official, or designee, a representative from the Office of Labor Relations and a human resources consultant, if desired by the University. The University will respond in writing within ten (10) calendar days.

**Step Three: Grievance Mediation.** If a satisfactory settlement is not reached at Step Two, the grievant with authorization from the Union may submit the written grievance to the Office of Labor Relations requesting grievance mediation within fifteen (15) calendar days.

Upon mutual agreement, the Employer and the Union shall request, within ten (10) calendar days, grievance mediation services of the Public Employment Relations Commission (PERC). If those services are unavailable on a timely basis, the parties shall immediately request a list of grievance mediators from the Federal Mediation and Conciliation Service (FMCS). The cost of the mediation shall be borne equally by both parties.

**Step Four: Arbitration.** If a satisfactory settlement is not reached at Step Two or Step Three, either of the signatory parties to this Agreement may submit the grievance to binding arbitration. Such submittal must be made within fifteen (15) calendar days following the conclusion of Step Two or Step Three. Within sixty (60) calendar days of the execution of the Agreement, the parties agree to meet to establish a permanent panel of three (3) – five (5) arbitrators. These arbitrators shall be assigned cases by the parties on a rotating basis. If the arbitrator is not available to hear the case within sixty (60) calendar days of the decision by either party to go to arbitration, the parties will contact the next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60) calendar days, the case will be assigned to the arbitrator who can hear the case on the earliest date. The appointment to the panel will be for the first eighteen (18) months of the Agreement at which time either party may decide not to continue the appointment. If an individual arbitrator decides to remove his/her name from the panel or if one or more members of the panel are not continued by either party, the parties will meet to decide whether to substitute an additional name(s).

Until the panel is implemented, the parties will select an arbitrator using the procedure in the November 16, 1999-November 15, 2002 contract. The parties agree that the arbitrator shall have no power to render a decision that adds to, subtracts from, alters or modifies in any way the terms and conditions of the Agreement. The parties further agree that the decision of the arbitrator will be final and binding upon all parties. The cost of the arbitration shall be borne equally by the parties and each party shall bear the full cost of presenting its own case. The arbitrator's decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration, and the parties did not avail themselves of Step Three: Grievance Mediation, the moving party shall have the unilateral right to demand a pre-arbitration settlement conference. These conferences shall not delay the arbitration process, and may be held with or without the presence of the arbitrator, at the option of the moving party. In the event that an arbitrator is present, the cost of the arbitrator's participation shall be borne equally by the parties.

## **HOURS OF WORK AND OVERTIME**

Hours of work for Regular Temporary Employees shall be established by the employing official. Work assigned in excess of forty (40) hours in a seven (7) day work week constitutes overtime. Overtime hours will be compensated at a rate of one-and-one-half (1-1/2) times the employee's straight time hourly rate.

## **EMPLOYMENT**

Policy. It is the policy of the University to encourage job advancement. It is the responsibility of each employee seeking employment to provide the employer with complete information regarding the employee's skills and qualifications relative to the position sought. The Employer will make the application process, necessary submittals and the essential skills of the vacant position clear to prospective applicants.

Notice that applications are being accepted for bargaining unit positions will be published by the Employer and will be made available in places intended to reach bargaining unit employees for a minimum of seven (7) days prior to the closing of the application period. The University may limit the scope of the posting area if applications only from within the posting area are accepted. Active Regular Temporary Employees may apply for department/unit specific openings if they have worked in the department/unit within the past calendar year.

The Employer will determine if applicants possess the essential skills required of the position. Essential skills are the minimum qualifications listed in the job description for the classification and any specific position requirements. The Employer will refer all bargaining unit applicants (including Regular Temporary Employees) possessing the essential skills prior to referring any non-bargaining unit applicants. In accordance with applicable law, affirmative action goals will be considered when filling vacancies.

## **PROBATIONARY PERIOD**

Regular Temporary Employees are subject to all terms of the Agreement at such time as a Regular Temporary Employee is appointed to a monthly paid

bargaining unit position. This includes the requirement to serve a probationary period.

A Regular Temporary Employee who is hired into the same job without a break in service, in the same unit through open recruitment will have their Regular Temporary hours of service apply toward their probationary period for that position up to a maximum of three (3) months of the six (6) month probationary period.

## **HEALTH AND SAFETY**

**Policies.** It is the Employer's intent to make reasonable and proper provisions for the maintenance of appropriate standards of health and safety within the workplace. The Employer shall comply with applicable Federal and State health and safety legislation and regulations and has designated the University's Environmental Health and Safety (EH&S) Department to advise and monitor compliance with such standards.

When it is established through medical documentation that a disabling condition or physical limitation prohibits continued performance of the employee's assigned duties, the employer will attempt to assist the employee through reassignment, transfer, or reconfiguration of job duties.

Employees who believe that working conditions present a hazard to their health should first alert their supervisor. All employees are encouraged to contact Environmental Health and Safety to report hazardous conditions. If a supervisor or Environmental Health and Safety declares a work site to be hazardous and unfit for work, affected employees may be assigned to alternative work sites until the hazardous condition is rectified. If assignment to an alternative work site is not possible and the supervisor decides to send the employees home, those employees sent home will receive their regular pay for all time the employee is scheduled to work on the day of the incident. For all subsequent days the employee(s) may use accrued leave as appropriate.

**Health Examinations.** The Employer shall provide at no cost to the employee, such medical tests or health examinations as may be required as a condition of employment.

**Safety.** All work shall be performed in conformity with applicable safety standards. Employees are encouraged to immediately report any unsafe working conditions to their supervisor. No employee shall be disciplined for reporting any such condition nor be required to work or to operate equipment when he/she has reasonable grounds to believe such action would result in immediate danger to life or safety until the condition has been reviewed by a Union Steward and a higher level of supervision. If the matter is not resolved satisfactorily, the supervisor or employee may request a decision from the University's Department of Environmental Health and Safety or the Department of Labor and Industries.

**Safety Committees.** Bargaining unit employees shall be appropriately represented on any organizational health and safety committees for areas in which they are employed, as detailed in Administrative Policy Statements 10.11. Any department or unit committee also dealing with health and safety issues in work areas shall appropriately involve bargaining unit employees. It shall also be appropriate for either party to raise health and safety concerns at the Joint Union/Management Committee.

**Ergonomics.** The Employer shall maintain a separate section in the Administrative Policy Statements that reference the ergonomic requirements of WAC 296-62-051. Further ergonomic guidelines shall be referenced on the Environmental Health and Safety department website [www.ehs.washington.edu](http://www.ehs.washington.edu).

**Workplace Review.** The parties recognize that there are several elements in a work site which may affect individual health, comfort and productivity. The Employer shall conduct routine hazard assessments of any worksite that may contain health hazards as required by WAC. The Employer shall provide awareness education to help reduce identified hazards. Employees may also request a workplace review by the employing department and employees shall be given the results of the review.

## **RECORDS**

**Bargaining Unit.** A current list of names, classifications, and departments of all bargaining unit employees will be provided annually to the Union at cost.

**Personnel File.** To the extent personnel records are kept for Regular Temporary Employees, upon written request by an employee to their area Human Resources Office (official personnel file) or department manager (departmental file), the employee or employee's representative shall have access to the employee's official or departmental personnel file for review. Upon the employee's request, the employee may receive copies of any materials in the file (requests for reasonable numbers of copies will be provided at no cost to the employee; employees may be charged a fee for requests for large numbers of copies). Prior to such review the Director or designee may remove any letters of reference which were obtained through assurances of confidentiality to a third party. Such letters shall only be used for the purposes of hiring and/or promotional application.

Employees shall be provided a copy of all adverse material placed in the official file at the time the material is included in the file.

- (a) Information shall be retained as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the institution.

Adverse material or information related to employee misconduct or alleged misconduct which is determined to be false and all such information in situations where the employee has been fully exonerated of wrong doing shall be promptly destroyed.

- (b) Notwithstanding subsection (1) of this section, an institution may retain information relating to employee misconduct or alleged misconduct, if:
- (1) The employee requests that the information be retained; or
  - (2) The information is related to *pending* legal action or legal actions may reasonably be expected to result.

The employee shall have the right to have placed in his/her own personnel file a statement of rebuttal or correction of information contained in the file within a reasonable period of time after the employee becomes aware that the information has been placed in the file.

**Request for Information.** To the extent such records are kept for Regular Temporary Employees, the Employer shall make available to the Union, upon written request, records and reports regarding personnel issues such as home addresses, employment date and reclassification requests, concerning those classifications in the bargaining units, provided that this shall not require the Employer to disclose any records not subject to disclosure under the Public Disclosure Act of the State of Washington or to maintain or assemble any data which it would not otherwise assemble for its own use. Information shall be provided electronically where feasible.

## **TRAVEL PAY AND WORK TIME**

**General.** Any employee required to travel to a place of work other than his/her regular official duty station shall be reimbursed for travel costs if eligible, in accordance with University of Washington Administrative Policy Statements, Section 70.

## **FACILITIES**

**Meeting Facilities.** The Union shall be permitted to use the Employer's facilities for meetings provided advance notice is given to the Employer, appropriate space is available on the date requested, and meetings are held in accordance with the Employer's policy on this subject.

**Bulletin Boards.**

- (a) Space shall be made available to the Union on bulletin boards in those areas where bargaining unit members work or frequent, for the posting of

notices and information pertaining to official business of the Union. Such posted material is to be signed by a Union representative.

- (b) If it is established that adequate space is not available at a convenient location, the Union may provide for and have installed a bulletin board at its own expense, provided the size and location of said bulletin board shall be mutually agreeable to the Union representative and the Employer.

#### Employee Facilities.

- (a) Restrooms and attendant facilities shall be provided as required by the State of Washington Department of Labor and Industries. Dressing rooms and/or lockers shall be provided to employees in those classifications where a change of clothing is required by the Employer.
- (b) The adequacy of employee facilities, including sanitary supply dispensers for female employees, shall be a proper subject for discussion by the Joint Union-Management Committee.

### **JOINT UNION MANAGEMENT COMMITTEE**

**Committee Purpose and Membership.** A Joint Union-Management Committee is established to provide a forum for communications between the two (2) parties and to deal with matters of general Union/Employer concern. The committee's function will be limited to an advisory capacity and shall not include any decision-making or collective bargaining authority.

Committee membership shall consist of three (3) bargaining unit employees and a Union staff representative and four (4) Employer representatives to include the Executive Director for Labor Relations or designee.

The Employer will discuss with representatives of the Union significant changes affecting institutional conditions of employment generally affecting bargaining unit employees sufficiently in advance of the targeted implementation date of said changes so that reasonable alternative proposals can be adequately considered by the Joint Union-Management Committee. Diversity, child care and tuition exemption shall be considered appropriate subjects for the Joint Union-Management Committee.

**Meetings.** Committee meetings may be requested by an authorized representative of either party. Requests for a quarterly meeting shall be honored; however, once convened, the committee may meet more or less frequently as mutually agreed between the parties.

At least one (1) week's notice shall be given to members of any agreed upon meeting and the agenda. Committee meetings shall normally be held during

University business hours and at a mutually agreeable time and date. Employee members shall experience no loss in salary for meeting participation; however, meeting times are *not* construed as work time and no overtime shall be claimed or paid for meetings attended outside the employee members' regular working hours.

Limitations. Committee meeting topics shall be limited to subjects of group rather than individual concern, and the committee shall not discuss grievances properly processed under Article 4 of the Agreement. Further, it is not intended that this Article obligate in any way either party to negotiate on personnel matters covered in this Agreement or to alter, limit, restrict, or reduce prerogatives of either party otherwise provided in this Agreement.

Use of Temporary Employees. Issues concerning the use of temporary employees who work beyond 1,050 hours from the employee's original University of Washington temporary employment date, shall be an appropriate subject for discussion in the Joint Union Management Committee meeting. Such issues may include, but will not be limited to, the continuous and ongoing use of temporary employees as well as the possibility of alternate employment opportunities.

## **CONTRACT DISTRIBUTION**

The University and the Union shall share the cost of printing the Agreement for present and new employees in the bargaining units.

### **Distribution.**

- (a) The employer shall include a copy of the Agreement at each Reference Station and shall provide a copy to new employees in the bargaining unit.
- (b) The Union shall provide a copy of the Agreement to present employees in the bargaining units. The Employer shall allow distribution through campus mail.

### **New Employees**

- (a) The Employer shall provide to the Union, at least monthly, a list of new employees in the bargaining units, including the employee's name, classification, department, and mail stop.
- (b) The Employer will distribute to each new employee in the bargaining units, with a copy of this Agreement, a letter from the Union. Such letter will be provided to the Employer by the Union and the contents of the letter shall be mutually agreeable.

- (c) A bargaining unit member designated by the Union shall be granted paid release time to attend new employee orientation and/or new employee coffee hours scheduled by the University. Such release time will be subject to the operational needs of the department.

## **COMPENSATION**

Salary schedules for Regular Temporary Employees shall be incorporated into this Agreement as Appendices II, and III.

If a bargaining unit Regular Temporary Employee leaves an appointment and is later reemployed by the same department/unit in the same or substantially similar appointment, the employee will be paid an hourly rate not less than their previous wage in the department.

All positions filled by Regular Temporary Employees shall continue to receive the premiums and differentials they received prior to July 1, 2005, including any increases in the amounts of those premiums and differentials as provided for in this Agreement.

## **NO STRIKE/LOCKOUT**

The Employer and the Union acknowledge that this Agreement provides, through the grievance procedure and through other administrative remedies, for an orderly settlement of grievances or disputes which may arise between the parties. Accordingly, the parties agree that the public interest requires the uninterrupted performance of all University services and to this end pledge to prevent or eliminate any conduct contrary to that objective. Therefore, during the life of the Agreement the Employer shall not lockout any of the employees as a result of a labor dispute or grievance or disputes on personnel matters nor shall the Union condone or authorize a work stoppage, work slowdown, or any other curtailment of work in the bargaining units.

Should the employees engage in any unauthorized concerted action, a Joint Union/Management Committee shall immediately convene and shall continue to meet until the dispute is settled, and the employees involved shall immediately return to work and continue working. Any employee who refuses to perform his/her work may be subject to disciplinary action.

There will be no strike or lockout regarding any matters pertaining to the contents of this Agreement.

Any action of the Employer in closing the University during a general strike, riot, or civil disturbance for the protection of the institution, its property, or its employees shall not be deemed a lockout.

Any action of an employee in refusing to cross, for his/her own personal safety, a picket line at the Employer's premises in case of an officially declared strike by some other employee organization or union representing employees working for the Employer shall not constitute a violation of this clause of the Agreement, provided, however, that such a decision shall be made freely by the employee without coercion by either the Employer or the Union and provided further that nothing herein shall preclude the Employer from continuing to operate the University with or without temporary replacement personnel.

#### **SUBORDINATION OF AGREEMENT AND SAVINGS CLAUSE**

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or provision of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

#### **DURATION**

This Agreement shall become effective July 1, 2007 and remain in force through June 30, 2009. Automatic renewal shall extend the terms of this Agreement for one year at a time, unless either party serves the other with written notice at least ninety (90) calendar days prior to the anniversary date of its intent to negotiate a new Agreement. Should notice be served, bargaining shall begin within thirty (30) calendar days following the date of the notice for the purpose of negotiating a new Agreement.
